

ARMENIANS ROLL OUT THE CARPET

Armenians Roll Out the Carpet for Project SAVE Archives' 2010 calendar! Weavers, buyers, and families show off their rugs in vintage black and white and contemporary color; from New Julfa to New Jersey, and Caesarea to California; at work, at home, and at play.

Captions revealing the stories of people and places will weave life into these rich images from our collections. Our colorful calendar showcases rugs as they frame every day Armenian life—at picnics and weddings, at family gatherings and business deals, and in settings both sacred and secular.

*A great keepsake gift
for your family and friends.*
